

#34 All Star – Smash Mouth

Verse 1

F# C# D#m B F# C# D#m B

Somebody once told me the world is gonna roll me, I ain't the sharpest tool in the shed

F# C# D#m B F# C# D#m B

Was lookin' kinda dumb with her finger & her thumb in the shape of an L on her forehead

F# C# D#m B

The years start comin' & they don't stop comin', fed to the rules & I hit the ground runnin'

F# C# D#m B

Didn't make sense not to live for fun, your brain gets smart but your head gets dumb

F# C# D#m B

So much to do so much to see, so what's wrong with taking the backstreets

F# C# D#m B

You'll never know if you don't go, you'll never shine if you don't glow

Chorus

F# B C dim B

Hey now you're an all star, get your game on go play

F# B C dim B

Hey now you're a rock star, get the show on get paid

F# B C dim B F# E B

And all that glitters is gold, only shooting stars break the mould
