Intro

G **Am** **Em**

Verse 1

G **Am** **Em**

Happiness hit her like a train on a track

G **Am** **Em**

Coming towards her, stuck still no turning back

G

She hid around corners and she hid under beds

G **Am** **Em**

She killed it with kisses and from it she fled

G

With every bubble she sank with a drink

G **Am** **Em**

And washed it away down the kitchen sink

Pre-Chorus

G

The dog days are over, the dog days are done

Am Em

The horses are coming so you better run

Chorus**G**

Run fast for your mother, run fast for your father

Run for your children, for your sisters and brothers,

Am**Em**

Leave all your love & your longing behind you can't carry it with you if you want to survive

G

The dog days are over, the dog days are done

Am**Em****G**

Can you hear the horses, 'cause here they come
