[Verse 1]

D#
Friday night I'm going nowhere
G# D#
All the lights are changing green to red
G# D#
Turning over TV stations
G# D#
Situations running through my head
G# D#
Looking back through time
G#
You know it's clear that I've been blind
D#
I've been a fool
G# D#
To open up my heart
G# D# G#
To all that jealousy, that bitterness, that ridicule

[Break]

[Verse 2]

D#
Saturday I'm running wild
G# D#
And all the lights are changing red to green
G# D#
Moving through the crowd I'm pushing
G# D#
Chemicals all rushing through my bloodstream
G# D#
Only wish that you were here
G#
You know I'm seeing it so clear
D#
I've been afraid
G# D#
To show you how I really feel
G# D# G#
Admit to some of those bad mistakes I've made

[Chorus]

D# A#
If you want it
Fm
Come and get it
Gm
For crying out loud
D# A#
The love that I was
Fm
Giving you was
G#
Never in doubt
D# A#
Let go your heart

Fm
 Let go your head
 A#
 And feel it now
 D# A#
 Let go your heart
 Fm
 Let go your head
 A#
 And feel it now
 D# G# D# G# D#
 Babylon, Babylon, Babylon

 Sunday all the lights of London
 G# D#
 Shining, Sky is fading red to blue
 G# D#
 I'm kicking through the Autumn leaves
 G# D#
 And wondering where it is you might be going to
 G# D#
 Turning back for home
 G#
 You know I'm feeling so alone
 D#
 I can't believe
 G# D#
 Climbing on the stair
 G#
 I turn around to see you smiling there
 D# G#
 In front of me

[Chorus]

 If you want it

 Come and get it
 Gm
 For crying out loud

 The love that I was
