[Verse 1]

A
Chill out, what you yellin' for?
F#m
Lay back, it's all been done before
Dadd9 E/B
And if you could only let it be
You will see
A
I like you the way you are
F#m
When we're drivin' in your car
Dadd9 E/B
And you're talking to me one on one
But you've become...

[Pre-Chorus]

Dadd9
Somebody else 'round everyone else
F#m F#m
You're watching your back like you can't relax
Dadd9
You're tryin' to be cool
E/B
You look like a fool to me
Tell me

[Chorus]

F#m Dadd9 A
Why do you have to go and make things so complicated?
E/B F#m Dadd9
I see the way you're acting like you're somebody else
A
Gets me frustrated
E/B
Life's like this
F#m Dadd9
You, you fall and you crawl and you break
A E/B Bm
And you take what you get and you turn it into honesty
Dadd9
You promised me I'm never gonna find you fake it
A
No, no, no

[Verse 2]

A
You come over unannounced
F#m
Dressed up like you're somethin' else
Dadd9 E/B
Where you are ain't where it's at
A
You see you're making me laugh out
When you strike your pose
F#m
Take off all your preppy clothes
Dadd9 E/B
