C5 E5 F5  
Do Do Do...

## [Verse 1]

C5  
Everyday I hear a different story,  
G  
People saying that you're no good for me,  
Dm C G Am G  
"Saw your lover with another and she's making a fool of you" Whoa

C5  
If you loved me baby you'd deny it,  
G  
But you laugh and tell me I should try it,  
Dm C G Am  
Tell me I'm a baby, and I don't understand.

## [Pre-Chorus]

G Dm G  
But you know that I'll forgive you,  
C G Am  
Just this once, twice, forever,  
F G  
'Cause baby, you could drag me to hell and back,  
C G Am G  
Just as long as we're together. And you do

## [Chorus]

C G Bb F  
I don't want your freedom,  
Dm G  
I don't want to play around,

give you all that I do

I bet you someday baby someone says the same to you
