A

[Verse 1]

We'll do it all E/G#

Everything D

On our own A

We don't need E/G#

Anything D

Or anyone A

[Chorus]

If I lay here

If I just lay here E/G#

Would you lie with me D

And just forget the world A

[Verse 2]

I don't quite know E/G#

How to say D

How I feel A

Those three words E/G#

I said too much D

But not enough A

[Chorus]

If I lay here

If I just lay here E/G#

Would you lie with me D

And just forget the world A

Forget what we're told E/G#

Before we get too old D

Show me a garden that's A

bursting into life

[Verse 3]

Let's waste time E/G#

Chasing cars D

A

Around our heads
I need your grace
To remind me
To find my own

[Chorus]
If I lay here
If I just lay here
Would you lie with me
And just forget the world
Forget what we're told
Before we get too old
Show me a garden that's
Bursting into life
All that I am
All that I ever was
Is here in your perfect eyes
They're all I can see
I don't know where
Confused about how as well
Just know that these
Things will never
Change for us at all

[Outro]
If I lay here, if I just lay here
Would you lie with me
And just forget the world
