

[Intro]

F#

[Verse 1]

F#

Tumble outta bed

And I stumble to the kitchen

B

Pour myself a cup of ambition

F#

And yawn and stretch

And try to come to life

C# F#

Jump in the shower

And the blood starts pumpin'

B

Out on the street

The traffic starts jumpin'

F#

C#

F#

The folks like me on the job from 9 to 5

[Chorus]

B

Workin' 9 to 5,

What a way to make a livin'

F#

Barely gettin' by

It's all takin' and no givin'

B

They just use your mind

And they never give you credit

G#

C#

It's enough to drive you crazy

If you let it

B

9 to 5, for service and devotion

F#

You would think that I

Would deserve a fat promotion

B

Want to move ahead

But the boss won't seem to let me

G#

C#

F#

I swear sometimes that man is out to get me

[Verse 2]

F#

They let you dream

Just to watch 'em shatter

B

You're just a step

On the bossman's ladder

F#

But you got dreams

C#

He'll never take away

F#

You're in the same boat

With a lotta your friends

B

Waitin' for the day your ship'll come in

F#

'N' the tide's gonna turn

C#

F#

And it's all gonna roll your way

[Chorus]

B

Workin' 9 to 5

What a way to make a livin'

F#

Barely gettin' by

It's all takin' and no givin'

B

They just use your mind

And you never get the credit

G#

C#

It's enough to drive you crazy

If you let it

B

9 to 5, yeah

They got you where they want you

F#

There's a better life

And you think about it, don't you

B

It's a rich man's game

No matter what they call it

G#

And you spend your life

C#

Puttin' money in his wallet

[Outro (Fade Out)]

B

9 to 5, whoa

What a way to make a livin'

F#

Barely gettin' by

It's all takin' and no givin'

B

They just use your mind

And then they never give you credit

G#

C#

It's enough to drive you crazy

If you let it

B

9 to 5, yeah

They got you where they want you

F#

There's a better life

And you dream about it, don't you

B

It's a rich man's game

No matter what they call it

G#

And you spend your life

C#

Puttin' money in his wallet
